Memorandum

Luthando works for Clive's Quality Cars and Spares, a dealership that is open Monday to Friday from 07:00 – 18:00. She is responsible for the refreshments and dispensing machine to which staff members contribute R100 each p.m. Over the past **fortnight** a problem has arisen: the hot chocolate powder is being used at **an alarming rate** and the milk supply runs out by midday. If this continues, the hot chocolate may be discontinued. Write a memo to the staff where Luthando informs them about the problem. She makes two suggestions of how to solve the problem. Supply these. She also wants the staff to let her know by Friday **noon** which option they would prefer.

CLIVE'S QUALITY CARS AND SPARES

MEMORANDUM

TO: The staff

DATE: 28 April 20_

FROM: Luthando

TEL: Ext 555

SUBJECT: Problem with hot chocolate and milk

As you know, I am responsible for the refreshments and dispensing machine in the staff room. Over the past two weeks a problem has arisen.

It appears that the hot chocolate powder is being used at an alarming rate and the milk supply runs out by midday. Often both must be replaced for the afternoon session. We have a limited budget for refreshments, so if this continues, the hot chocolate may be discontinued.

To prevent this from happening, I have two suggestions:

- As from tomorrow, everybody is allowed one cup of tea, coffee and hot chocolate per day.
- As from 1 May everybody must contribute R120 each p.m. towards refreshments and the dispensing machine.

I am sure that you all agree that we must share the refreshments equally. Please let me know by Friday at noon which option you would prefer.

Thank you.

Luthando
