TO ALL SUPPLIERS SEEKING APPROVED REGISTRATION AS A SUPPLIER ON THE DATABASE OF TSHWANE SOUTH TVET COLLEGE

All suppliers are herewith invited to register as an approved supplier on the database of Tshwane South Technical and Vocational Education and Training College.

In order to comply with the procedures, set out in the Accounting Officers Procurement Procedures (AOPP), as referred to in the Public Finance Management Act, 1999 (Act 1 of 1999) (PFMA), the college developed a supplier database to be used by the procurement office.

The purpose of this database is to give all prospective suppliers an equal opportunity to submit quotations to the college.

The main objective of this process is to use the database as an empowerment tool, which can be maintained whilst at the same time we enhance transparency and equality.

Preference will be given to registered suppliers but it does not necessarily mean that suppliers who are not yet registered will be totally exempted from quoting for the supply of goods or services to the college. It is envisaged however, that this database will contribute to efficient administration and compliance with the PFMA.

Suppliers list on a rotational basis suppliers are selected from the supplier database according to their products and/or skills, hereafter referred to as commodities.

When the need for a commodity arises the top three suppliers hereof are selected from the database list and will each receive a Request for quotation (RFQ). Having been approached for a RFQ these suppliers will move to the bottom of the list. Therefore, the next time the need for a commodity arises the following three suppliers will receive RFQ's.

PLEASE NOTE: Each enterprise is responsible to maintain and/or update its own information. If it comes to our attention that information is not valid or relevant at the date the RFQ is generated, the college may, without NOTICE remove the supplier from the database.

Attached please find an official registration form to assist us in updating our database according to legislation. **It is imperative that suppliers read the application document carefully, complete it in full and sign it.**

Please note that a valid Tax Clearance certificate with VAT registration (if registered) must be obtained from Receiver of Revenue where the supplier is registered for tax purposes. The Receiver of Revenue will furnish the supplier with a Tax Clearance Certificate that will be valid for a period of **12 months** from date of issue.

FAILURE TO SUBMIT THE FOLLOWING COMPULSORY DOCUMENTS WILL INVALIDATE THE APPLICATION:

1. Original and valid Tax Clearance Certificate

4. Copies of company registration (CK/CC) forms
